

Associate in Arts Degree

Economics

Transfer Preparation * (Major Code: 01190)

Economics is the social science that studies the production, distribution, and consumption of goods and services. Many beginning positions in business and government are available to students with a bachelor's degree in economics.

ECON 101 Principles of Economics I 3

ECON 102 Principles of Economics II 3

MATH 119 Elementary Statistics 4

MATH 120 Calculus for Business Analysis 4

Foreign Language 10–15

Total units 24–29

To earn an associate degree, additional general education and graduation requirements must be completed. See page 51 in the SWC catalog.

* Students planning to transfer to a four-year college or university should complete courses specific to the transfer institution of choice. University requirements vary from institution to institution and are subject to change. Therefore, it is important to verify transfer major preparation and general education requirements through consultation with a counselor in either the Counseling Center or Transfer Center. **See catalog TRANSFER COURSES INFORMATION section on page 33 for further information.**
