The term of office of each Governing Board member shall be four years, commencing on the first Friday in December following the election in November. Elections shall be held every two years, in even-numbered years. Terms of Governing Board members are staggered so that, as nearly as practical, two of the Governing Board members shall be elected at each election.

A number is assigned to each seat on the Board and any candidate for election to the Governing Board shall be required to run for a particular numbered seat on the Governing Board and be elected by the voters of the District at large.

In the event of a tie in any election for position of Governing Board member, the winner will be determined by lot. The Governing Board will notify the candidates who have received the tie votes to appear before the Governing Board, either personally or by a representative, at a time and place designated by the Governing Board. The Governing Board shall at that time and place determine the winner by lot.
