

## ENROLLMENT PRIORITY REGISTRATION EFFECTIVE FALL 2014

Enrollment priority and your registration date will be determined when students have completed; **1)** Assessment **2)** Orientation, and **3)** Student Education Plan and the number of degree applicable units at Southwestern College. Students have to be in a Good Academic Standing.

The California Community College Board of Governors approved a policy change to establish system-wide registration priorities in an effort to improve student success. The new regulations are designed to ensure that classes are available for students seeking career advancement, an associate degree or transfer, and to reward students who are making academic progress towards their academic goals. Consequently, enrollment priorities have been redefined and changes are going into effect for Fall 2014 registration.

Under the new regulations, new or returning students who have completed assessment, orientation and the student education plan, as well as continuing students in good academic standing who have not exceeded 100 units (not to include units in Basic skills, English as a Second Language) will have enrollment priority over students who do not meet these criteria. Students will now register for courses according to an enrollment priority system as defined by Title 5 regulations and the Southwestern Community College District.
