SUBMITTING AN APPLICATION DOES NOT GUARANTEE ENTRY INTO THE PROGRAM

ABOUT THE PROGRAM:

The course is designed for students interested in a career in Nursing. The CNA program is an 8.5-unit program which consists of CNA 20 (5.5 units) and CNA 20L (3 units). Completion of the course is valued high on the point system for entrance into the Associate Degree in Nursing (ADN) Program, and it is required for the Vocational Nursing (VN) Program. Completion of this course confers eligibility to take the State Certification exam for CNA. CNAs are employed by hospitals, skilled nursing facilities and other health care agencies. The course content includes fundamental procedures to meet basic needs of patients, gathering data about the patients, communicating appropriately and other content required by State regulations for nurse assistant certification. *The CNA course is repeatable only once, and attendance to **all** class meeting days is mandatory.

The program requires that students have the ability to communicate effectively in the English language (comprehension, verbal and writing skills). This is based on requirements from the clinical facilities as English is the working language in San Diego healthcare facilities.

Enrollment is restricted to students who have applied within the designated application period through the Nursing Department and have been formally accepted. The program accepts 30-40 students plus alternates (alternates are admitted if initially accepted students are not able to participate). All accepted students and alternates must attend the orientation and meet on the first day of class at 8:00 a.m. Accepted students who fail to meet the first class will be dropped and will have to re-apply for the next available session. Class absences may result in the student being dropped from the program.

COST:

The total cost of the program is approximately \$750-\$850. The greatest direct expense is at the beginning of the first semester. Costs include enrollment fees, textbooks, malpractice insurance, ADB/Complio fees, uniforms, parking, and exam fees. Students will be required to complete a background check and drug screening prior starting the program. Students are required to wear maroon-colored scrubs with white shoes.

STATE CERTIFICATION:

After successful completion of the nursing assistant training program, you will be eligible to apply for the California State Department of Health Services certification exam. The exam is administered on campus. The current exam fee is \$120 (subject to change).
