Meet Alberto!
The Noncredit ESL courses, taught by Professor Stuardo at Southwestern College, have not only helped me understand and speak English better, but they have also helped me in all areas of my life. Before taking Noncredit ESL courses, I did not have the confidence to speak English. Now, I can easily communicate with others both in my personal, professional and educational life—thank you Continuing Education.

Continuing Education

Continuing Education provides the opportunity for community residents to improve, upgrade, and learn new skills and knowledge. This effort responds to the need for a well-trained workforce, as well as the individual need for intellectual or cultural enrichment. Continuing Education presently includes the following three categories of instruction and services: noncredit curriculum, fee-based services, and contract education.

Noncredit Curriculum (NC)
Noncredit courses are courses that meet community needs in ten instructional areas: parenting, basic skills, English as a Second Language (ESL), citizenship for immigrants, courses for the disabled, vocational courses, courses for older adults, home economics, health and safety, and workforce preparation [California Education Code, Section 84757(a) and 84760.5, and Title 5, Section 58160.] Noncredit courses are open to the public, are tuition-free, and are not offered for college credit. The College receives apportionment for noncredit courses at approximately half the rate for credit courses.

Fee-Based Classes (Community Service)
Fee-based classes and programs are designated and authorized under Title 5. These programs may be offered in nearly any subject or field. These programs are supported by a fee paid by participants.

Contract Education
Contract services are available to specific businesses and organizations by a mutually established agreement. Class participation is limited to the contract designees. Contract Education and services are paid for by the contracting entity.

Registration Information

Sign up early
Early sign up ensures that you will have a reserved place in a popular class. All registration is on a first-come, first-served basis. Your registration can make the difference as to whether a class is offered or cancelled. When space is available, on-site registration may be allowed with the permission of the instructor.

Southwestern College Continuing Education Drop Policy
Any student who is not present on the first day of class may be dropped from the course by the instructor. After the first class meeting, any student with 3 consecutive absences from a noncredit class without prior notice (or in the event of a short-term class, having missed 25% of courses to-date) may be officially dropped from the course. Nonattendance does not constitute an automatic withdrawal. Should a student register and be unable to attend or decide not to continue, the student must contact the instructor or the Continuing Education office immediately to be withdrawn from the course.

Class Confirmation
Please mark your personal calendar when registering for any class. You may call Continuing Education at 619-482-6376 to confirm your registration.

Certificate of Completion
Some multi-session courses and seminars offer a Certificate of Completion. When applicable, students must attend all classes and meet certificate requirements as established by the college.

Class Cancellation
Every attempt is made to avoid cancelling a class. However, sometimes it is necessary to cancel before the first meeting when enrollment is low. If the College has advance notice that a class will be cancelled, Continuing Education will attempt to reach you by phone. Please be sure to provide complete phone contact information on your application.

Refunds
A full refund will be made if Continuing Education cancels a class. If you have registered for a class and you cancel at least three (3) business days prior to the start of the class, you will receive a full refund of the class fee. You are not eligible for any refund beyond the three day period. There are no registration credits or rescheduling options available beyond the three (3) day refund period. No-shows are not eligible for a refund. A refund may take up to four to six weeks to process.

Materials Fee
A materials fee is required in a few noncredit and fee classes. Please be prepared to pay this fee at time of registration. Cash, check, or credit card payments are accepted.

Instructor, Class, or Location Change
In some cases, a qualified substitute instructor may replace the individual listed in the schedule. Class dates and locations are also subject to change. When feasible, students will be notified of any date or location change prior to the class either by phone.

Class Locations
Classes are held on campus and at various locations throughout San Diego South County. Please carefully review the location of the class for which you are registering.

Parking Information
All vehicles parked on campus must display a parking permit at all times. One-day parking permit dispensers are located throughout the campus (see campus map, inside back cover). The cost of the permit is $3 and is ONLY valid on the day of purchase only. Please arrive at least 20–30 minutes early on the first day of class since there is often a line at the parking permit dispenser. One-day parking permits are ONLY valid in student parking lots. Do not park in staff or faculty designated parking lots/spaces.

Disclaimer
While every reasonable effort is made to ensure that statements in the schedule are accurate, the information contained herein is subject to change or elimination without notice by the administration of the Southwestern Community College District.
