

Intersegmental General Education Transfer Curriculum (IGETC)

SOUTHWESTERN COLLEGE

University of California and California State University
2020-2021

Subject to change each year

This document does not replace a Student Education Plan (SEP)

IGETC is a general education pattern that will meet all lower-division general education requirements at most California State University (CSU) or University of California (UC) campuses. Completion of the IGETC is not a requirement for admission to the CSU or UC, nor will its completion guarantee admission to a CSU or UC campus. The IGETC pattern is not the only way to fulfill lower-division general education requirements. Depending on the major or field of interest, it may be advantageous to fulfill the general education breadth of the specific CSU or UC campus.

Please consult with a counselor to determine whether IGETC is appropriate for your educational goals.

Some rules for using IGETC:

- Each course must have been IGETC approved at the time it was taken. See www.assist.org for a list of certified courses and approval dates.
- All courses must be passed with a "C" or higher. A "P" (Pass) is acceptable, but UC permits no more than 14 transferable semester units to be completed on a pass/no pass basis (pass/fail or credit/no credit).
- Some community college courses have limitations on the amount of credit awarded by the receiving university. See a counselor for details.
