

# Internship Stipend Eligibility

## Information

You may be eligible to receive a **one-time payment of \$750** (also called a stipend). The stipend aims to provide financial support to help offset expenses while participating in an **unpaid internship** in a Work Experience Education course (290-293) or in an EMTP 230/EMTP 231 course.

**Note:** If you have questions regarding how a stipend can affect your Financial Aid Award, please meet with a Financial Aid Specialist.

### Am I eligible?

If you meet ALL of the following requirements:

- are enrolled in EMTP 230, EMTP 231 or a Work Experience course (290-293)
- are a Career Education (CE) major
- are completing an unpaid internship
- you have never received a stipend from SWC

### When do I receive the stipend?

Once your eligibility has been confirmed, your stipend will be issued in two payments:

- once at the midpoint of the semester and
- at successful completion of your Work Experience course

### How do I receive the stipend?

Stipend recipients must have a deposit method choice on file for fund disbursement through Bank Mobile:
