## [Endnotes](#)

Allied Health and Nursing students including Preparation for Allied Health, Central Services Technician (CST), Dental Hygiene (DH), Emergency Medical Technology (EMT), EMT Paramedic (EMTP), Medical Laboratory Technician (MLT), Medical Office Professional (MEDOP), Nursing (all), Surgical Technology (ST) follow the Statistics and Liberal Arts Mathematics (SLAM) placement pathway.

Placements are generally available 2-3 days after students complete their SWC application. An email with your placements should be in your MySWC email. If not, log-in to your MySWC account and then click on this link, [My SWC Placements](#), to see your specific placements.

The course requirements list the classes needed to complete the program of study.

The placement level indicates your starting point in math or quantitative reasoning for your program of study. Students may use a single math course to fulfill General Education math/quantitative reasoning and major requirements, if applicable.

Individual situations and needs are different. SWC STRONGLY recommends speaking with a counselor about your individual circumstances and goals in education planning.

# Course Recommendations

## General Recommendation for Students in Your Major

---

### ***Students in your major take:***

- MATH 119 Elementary Statistics

### ***Some students choose to take:***

- PSYC 270/ SOC 270 Statistics for the Behavioral Sciences

## SLAM 1 and 2 Placement Level Recommendation

---

### ***Take only one of the following:***

- MATH 119\* Elementary Statistics with MATH 84\* (NC 284\*\*)

### ***Some students choose to take:***

- PSYC 270/ SOC 270 Statistics for the Behavioral Sciences

## SLAM 3 Placement Level Recommendation

---

### ***Take only one of the following:***

- MATH 119 Elementary Statistics

### ***Some students choose to take:***

- PSYC 270/ SOC 270 Statistics for the Behavioral Sciences

## Endnotes

\* MATH 81-87 are support courses. Look for paired sections with an S in the schedule, e.g. MATH 110-S01 and MATH 82-S01.

\*\* Noncredit (NC) MATH co-requisite support courses are equivalent to credit co-requisite support courses. The benefits of the courses include no tuition and not appearing on your credit transcript.
