[SLAM 1 and 2 Placement Level Recommendation](#)

[SLAM 3 Placement Level Recommendation](#)

[Endnotes](#)

Students in Nutrition and Dietetics follow the Statistics and Liberal Arts Mathematics (SLAM) placement pathway.

Placements are generally available 2-3 days after students complete their SWC application. An email with your placements should be in your MySWC email. If not, log-in to your MySWC account and then click on this link, [My SWC Placements](#), to see your specific placements.

The course requirements list the classes needed to complete the program of study.

The placement level indicates your starting point in math or quantitative reasoning for your program of study. Students may use a single math course to fulfill General Education math/quantitative reasoning and major requirements, if applicable.

Individual situations and needs are different. SWC STRONGLY recommends speaking with a counselor about your individual circumstances and goals in education planning.

Course Recommendations

General Course Recommendation for Your Major

Students in your major take:

- MATH 119 Elementary Statistics

SLAM 1 and 2 Placement Level Recommendation

Take the following:

- MATH 119* Elementary Statistics **with** MATH 84 (NC 284**)

SLAM 3 Placement Level Recommendation

Take the following:

- MATH 119 Elementary Statistics

Endnotes

* MATH 81-87 are support courses. Look for paired sections with an S in the schedule, e.g. MATH 110-S01 and MATH 82-S01.

** Noncredit (NC) MATH co-requisite support courses are equivalent to credit co-requisite support courses. The benefits of the courses include no tuition and not appearing on your credit transcript.
