**Project Insight**

The Public Safety Training Center project at HEC Otay Mesa provides for the construction of new facilities for the Police, Fire, and Emergency Medical Technician (EMT) - Paramedic programs. New facilities include:

- Multi-bay Apparatus Building - to house the emergency vehicles for all three programs
- Storage Building — to store equipment for all three programs
- Multi-Purpose Instructional Building — to include office space, classroom space, restroom/locker rooms, police simulator space, and fitness training space.
- Scenario Apartment Simulator — for police and EMT/paramedic simulated scenario training.
- Training Tower Building — a multi-story fire tower for live training
- Track — renovation of the existing track for the police obstacle course / fitness area
