## ***Mission Statement***

---

Southwestern Community College District, the only public institution of higher education in southern San Diego County, provides services to a diverse community of students by providing a wide range of dynamic and high quality academic programs and comprehensive student services, including those offered through distance education. The College District also stimulates the development and growth of the region through its educational, economic and workforce opportunities, community partnerships and services.

Southwestern Community College District promotes student learning and success and prepares students to become engaged global citizens by committing to continuous improvement that includes planning, implementation and evaluation. The College District provides educational opportunities in the following areas: associate degree and certificate programs; transfer; professional; technical; and career advancement; basic skills; personal enrichment and continuing education.

## ***Vision Statement***

---

Southwestern Community College District builds an exceptional community of learners and leaders who will promote social, educational and economic advancement.

## ***Institutional Values***

---

The following values guide how the institution thinks and acts – essentially defining the enduring character of the College District:

- Mutual respect – to treat one another with respect, dignity, trust, and fairness, appreciating the diversity of our community, students, and work force, in a collegial and cooperative manner
- Shared planning and decision making – to engage in a collaborative process in which creative thinking, ideas and perspectives contribute to the well-being of the entire College community
- Integrity – to say what we mean, to deliver what we promise, to fulfill our commitments, and to stand for what SWC values
- Accountability – to assume responsibility for our College's future as stated in our mission and goals
- Cultural competence and commonality – to positively engage our College community in developing a deep appreciation of and collegiality among all cultures
- Scholarship and love of learning – to foster and pursue one's curiosity and passion to seek knowledge and gain deeper understanding
- Critical inquiry and thinking – to nurture intellectual exploration and develop the analytical skills to problem-solve in new situations throughout life
- Life-long learning – to inspire a vital and imaginative learning environment
- Practical and responsive – to provide practical educational experiences

## Introduction

The Office of Institutional Effectiveness supports Southwestern Community College District (SCCD) faculty and staff in successfully obtaining external funding from federal, state, local and international governments and from private foundations. SCCD is also referred as Southwestern College (SWC). We are pleased to report that during the Fiscal Year 2017–2018, SWC was awarded more than \$3.8 million in supplemental funding to support 26 projects that otherwise would not have been possible through the College District's state appropriations.

This funding provided a wide range of exceptional advantages including funding for academic, career, and technical interests of SWC students. Grant projects included the following areas of educational and community capacity building:

- Workforce preparation and economic development activities and programs;
- Scholarships/stipends for students to complete their educational interests and/or degrees;
- An innovative learning environment for students within science, technology, engineering & mathematics (STEM) majors;
- Community and business/industry partnerships that strengthen College District programs, advance its mission, and provide opportunities for enriched student learning.
- Partnerships with universities/colleges to create pathways for students interested in the education field.

# 2017-2018 Grant Projects

## Academic Affairs Division

### Higher Education Center (HEC), National City

#### ***Small Business Development Centers (1/1/17 – 12/31/17)***

The U.S. Small Business Administration granted a one-year continuation award in the amount of \$353,169 for the project entitled San Diego and Imperial Small Business Development Centers (SBDC) program. In October 2017, modification #1 authorized the release of the remaining awarded funds in the amount of \$814,990 and an additional \$50,000 in supplemental funds, for a total increase in funding of \$864,990, to make the total funding amount of \$1,218,159. The project's primary objective was to provide consulting and training services for businesses throughout San Diego and Imperial Counties. With these funds, the SBDC assisted small businesses in starting and/or expanding their business through one-on-one advising and training.

#### ***Defense Logistics Agency, Office of Small Business Programs (1/1/17 – 12/31/17)***

The Defense Logistics Agency awarded \$300,000 to the San Diego Contracting Opportunities Center (SDCOC) for entitled, Procurement Technical Assistance Center (PTAC). Funds were used to provide mentoring and training to assist San Diego County small businesses to help them enter into, or compete for local, state, and federal government procurements and contracts. Technical assistance provided included counseling, training, and bid assistance. Southwestern College Foundation was the applicant for this grant.

#### ***Aquatic Center Grant Program (2/1/17 – 1/31/18)***

The California Department of Boating and Waterways granted one-year funding in the amount of \$42,000 for the project entitled Aquatic Center Grant program. The funds were used to purchase sailing/paddle sports related equipment, provided supplemental funding in the form of scholarships for area youth to attend aquatic recreational, and leadership development camps throughout the year. In addition, a portion of the funding was designated to support the National Safe Boating Week Open House hosted by the Crown Cove Aquatic Center. Further, a small portion of the funding supported required attendance at the Division of Boating and Waterways Annual Aquatic Directors meeting. The aforementioned equipment enhances services to Southwestern College (SWC) students and other participant populations through existing credit and non-credit courses and fee-funded programs.

### ***San Diego Contracting Opportunities Center (7/1/17 – 6/30/18)***

The City of San Diego's Small Business Enhancement program funded a one-year project in the amount of \$25,000 for the project entitled, Procurement Technical Assistance Center (PTAC). The funds provided public agency/government procurement and contracting technical assistance for local small and emerging businesses, which resulted in small business contract awards and job creation.

### ***California Community Colleges Chancellor's Office, Deputy Sector Navigator (7/1/17 – 10/31/18)***

The California Community Colleges Chancellor's Office (CCCCO) awarded a \$200,000 Deputy Sector Navigator (DSN) grant to the Center for International Trade Development (CITD). These funds are being used to advance California's economic development and global competitiveness by providing quality training and services to address existing and future workforce development needs, expand the export potential of small-to-medium enterprises, and identify gaps and connecting needs and resources in Global Trade and Logistics. In March 2018, the CCCCCO issued an amendment extending the grant period to October 31, 2018 and also augmented the budget by \$70,000, for a total of \$270,000.

### ***San Diego Small Business Growth (7/1/17 – 6/30/18)***

The County of San Diego funded a \$4,000 grant to the San Diego and Imperial Small Business Development Centers (SBDC) Network through their Community Enhancement program to assist entrepreneurs to grow and start their businesses throughout San Diego County. These funds are being used to provide additional one-on-one business advising/counseling and training workshops that result in business starts, capital infusion, increase in sales, and new jobs for San Diego County. This grant is

a collaboration between San Diego and Imperial SBDC and the San Diego Contracting Opportunities Center (SDCOC). Southwestern College Foundation was the applicant for this grant.

### ***California Community Colleges Chancellor's Office, California Apprenticeship Initiative (1/18/17 – 1/31/19)***

The California Community College Chancellor's Office (CCCCO) awarded a \$300,000 California Apprenticeship Initiative grant to the Center for International Trade Development (CITD). Grant funds are being used to develop a new and innovative apprenticeship program in the Global Trade and Logistics sector, specifically in Supply Chain/Logistics, resulting in new employers sponsoring apprentices, curriculum development, equipment purchase, apprentice recruitment, and incentives for participation.

### ***Go-Biz Capital Infusion Program (7/1/17 – 6/30/18)***

The California Governor's Office of Business and Economic Development, Office of Small Business awarded funding in the amount of \$468,962 to assist the San Diego and Imperial Small Business Development Centers (SBDC) Network to assist small businesses in obtaining capital infusion, the acquisition of funding for business operations, and growth. This includes Small Business Administration (SBA) loans, non-SBA loans, non-traditional lending and non-owner equity investment.
