

SWC Alumni Then & Now

Thank you so much for participating in our Then & Now campaign! We are having so much fun profiling our incredible graduates and really appreciate you taking the time to share your photos and accomplishments with us! Below is a list of questions to guide you in helping us create a stellar snapshot of you as an alum.

Then:

- Please send us a photo during your time at SWC! If it's a pic of you on campus, even better, but anything from "back in the day" during your SWC years will be great
- Please let us know the following:
 - o What year did you graduate SWC
 - o If you didn't graduate from SWC, which years did you attend?
 - o What was your degree or certificate in (if any)
 - o What was your area of study / major
 - o While at SWC, please share any notable accomplishments, awards, clubs, leadership opportunities, or formative experiences
 - o Did you transfer? Where to?
 - o Any higher ed degrees you'd like to tell us about?

Now:

- Please send us a current photo or headshot, the choice is yours!
- Please let us know the following:
 - o Where you currently work
 - o Your current title
 - o Any notable events or accomplishments in your professional career, i.e. awards, membership with boards/service clubs, volunteer or community work, etc.
 - o Anything else you'd like to share that you're proud of!

Please e-mail all photos and details to Erica Johnson in the Foundation Office: ejohnson4@swccd.edu

Thank you! 😊
