

High School

Drone Photography and Photogrammetry

Drones can be used for many careers, including law enforcement, visual arts, industry, and more. In this course, learn about drone applications and become familiar with why they are used in a variety of career fields. Be introduced to drone safety, operations, basic flying skills, aerial photography, and photogrammetry for map making! Students will be outside for most of the class. Please bring a water bottle, snacks, sunglasses, sunscreen, and a hat. This course is limited to 15 students max.

Instructor: Micajah Truitt

June 12 – 15, 2023 M-Th and June 20, 2023 (5 classes)

9:00 am – 12 noon

In-Person - SWC Chula Vista campus

Grades 10-12 – Must be 16 years old

Cost: \$165

Volunteering

High School students entering 11th and 12th grade can volunteer in Y.E.S. Academy by assisting our College for Kids in the classroom! This is a great opportunity for students to fulfill their high school volunteer requirements. All volunteers will have to get a LifeScan, TB test and a work permit (Work Permit – for volunteer under 18 years old).

The cost of the LifeScan will be paid by Y.E.S. Academy.

Interested volunteers need to contact the coordinator at 619-421-6700 ext 5953 or email nnieto@swccd.edu by May 19, 2023.
