Y.E.S. ACADEMY

This year, Youth Excellence & Success (Y.E.S.) Academy celebrates 47 years! As we head into summer 2023, we are thrilled to offer in-person experiences for entering 4th-12th grade students offered through a variety of courses.

Y.E.S. Academy is offered for all academic and creativity levels. Students can build their own custom experience as we offer courses throughout the day in June and July, both in the morning and in the afternoon. We are proud to deliver a program geared towards a variety of interests and are excited for you to review our 2023 schedule.

Find the courses that are the right fit for your student(s), and for you (Parent University), and share the summer with us this year!

Courses offered in summer 2023 will be held on SWC Chula Vista campus in person. Please review the course schedule for more information.

Y.E.S. Academy offers a variety of summer academic and enrichment programs for 4th-12th grade students and parents/caregivers, offered through courses, workshops, and more. We provide a positive, early-on college experience where students can thrive by trying something new, learning new skills, and challenging themselves in a college environment. This mission, we hope, will create new discoveries and decisions leading to each student's own unique pathway for success. **This summer, we are proud to deliver the following:**

■ Parent University

Offered in partnership with UCSD Extension, Parent University workshops provide parents/caregivers with information to help support themselves and their student(s) along their academic, social, and emotional journey.

■ Volunteering

Entering 11th-12th grade students can apply to assist instructors in the classroom, while gaining volunteer hours to complete high school graduation requirements in the Sweetwater Union HS District. Before a student can volunteer, they must do a LifeScan, TB test and have a work permit (if younger than 18 years old). Please contact the Y.E.S. Academy Coordinator at 619-421-6700 ext. 5953 or email her at nniето@swccd.edu ASAP.

■ College for Kids

Challenging & enriching courses that allow 4th-9th grade students to learn something new or refine their skills through projects, practice, discussions, and hands-on experiences.

■ Writer's Café:

Students registered in am & pm in-person College for Kids/Sally Ride Science courses, can register for our lunch supervision program, Writer's Café. See pages 7 or 12 for more information.

REGISTRATION

Y.E.S. Academy courses are offered in June and July 2023

REGISTRATION OPENS: Monday, May 1, 2023

DRONE PHOTOGRAPHY AND PHOTOGRAMMETRY

Drones can be used for many careers, including law enforcement, visual arts, industry, and more. In this course, learn about drone applications and become familiar with why they are used in a variety of career fields. Be introduced to drone safety, operations, basic flying skills, aerial photography, and photogrammetry for map making! Students will be outside for most of the class. Please bring a water bottle, snacks, sunglasses, sunscreen, and a hat. This course is limited to 15 students max.

VOLUNTEERING

High School students entering 11th and 12th grade can volunteer in Y.E.S. Academy by assisting our College for Kids in the classroom! This is a great opportunity for students to fulfill their high school volunteer requirements. All volunteers will have to get a LifeScan, TB test and a work permit (Work Permit – for volunteer under 18 years old). The cost of the LifeScan will be paid by Y.E.S. Academy.

Interested volunteers need to contact the coordinator at 619-421-6700 ext. 5953 or email nnieto@swccd.edu.
